

CHRISTIAN WALK WITH GOD

Devotional

Are you disappointed with the relationships you've been trying to develop? Maybe the communication with your spouse is lacking or you're looking for a trustworthy friend you can call anytime with good and bad news but haven't found one. Everyone just seems too busy to talk or build a relationship with you. It makes you feel lonely, depressed, and downright discouraged.

Well, I'm here to tell you that you are not alone in your feelings and frustrations. But, you are looking in the wrong place. Man will always fail us, but Jesus never does. While we should develop close relationships with others, we must first pursue developing a deep relationship with God. He will teach us how to build our relationships with all of our connections when we learn from the ultimate teacher.

Start with these 3 steps today as you take a step closer to walking with Jesus:

1st Step: Read The Christian Walk with God.

2nd Step: Write a simple plan on what steps YOU are going to take on building a relationship with God. Some examples may be reading your Bible and writing down what God speaks to you through His Word and the Spirit.

Another example is to transform your mind by intentionally not allowing negative thoughts to distract godly thoughts. In addition, setting aside quiet time with the Lord as you speak to Him like a close friend you respect and love.

3rd Step: Launch your new Christian Walk plan today. Record on a daily basis your struggles, thoughts, and God's communication to you.

Optional: Listen to the song "Just a Closer Walk with Thee" as you read the Lyrics and think of His amazing love and dedication for you.

How is your relationship with the Lord? What new habits can you form to get closer to Him? Pray that God leads you on His path today.
